## MILESTONES TESTING

Milestones testing starts on April 10. During that time our 3rd, 4th, and 5th-grade students will be heavily engaged in showing what they know! We are so proud of all of their hard work and know they will do their best. The following two letters were sent home to our 3rd-5th grade families this past week. We appreciate your understanding in assisting us in keeping the best testing environment possible for our students while we follow the standards outlined by the State of Georgia and DeKalb County School District. In order to do this, we ask that all students arrive to school on time to start their day. We are required to limit visitors in the hallway. The school will be functioning on a modified recess and specials schedule. If you have any questions about Milestones testing, please contact your child's teacher or Dr. Henry.
